## Going in Circles Workshop by Carrie Wikander

Thank you to **Donna Phelps** for snapping these pics of our ladies in action!

## Show & Tell

ABOVE—**Denise Halvorsen's** quilt is called, Ring Around the Square.

ABOVE—**Jo Anne Sherburne** made this quilt from a kit that her MIL gave her. It is called, "I love Angels."

RIGHT—**Mary Ann Levy** is a new member, but she already brought something to show to us. Is it a map for buried treasure? No, it is called Geese Remix, a Robert Kaufman quilt pattern.

RIGHT—**Maria Gonzalez** made this table runner in a recent class she took. It is a Seminole table runner pattern. It is a classic.

LEFT—**Pam McGhee** made this quilt with a message! It is one that made us all smile! She said the backing fabric is Minky.

## More Show & Tell

ABOVE—**Maggie Gorishek** is on the left, she is our Show & Tell Hostess. **Cheri Cheever** made these wall quilts. The one on the left is called, "You Promised Me a Rose Garden." It is in memory of the rose garden her husband planted for her. The "Busy Bee" quilt on the right is a stinger!

ABOVE—**Donna Hector** made this Nemo themed quilt for a special kiddo.

ABOVE—**Susan Armer** made this quilt with batiks she bought in Hawaii. It gives her great joy to have a little of Hawaii close by! She said this is called her "Turtle quilt."

## Do you have a “Fabric Library?”

What does your “**Fabric Library**” look like? What a way to describe our fabric stash!

What would each “bound quilt” tell a story about?

ABOVE—Door Prize bag winners: (left to right) —**Diane Cox, Denise Halvorsen, and Karen Herrmann**

LEFT—**Carla Woodworth** will be handing over the fun of filling the door prize bags in May. Thanks for making door prizes fun to win!

## Our April 2, 2025, presentation was by Susan Braverman.

She came up from San Antonio to bring a trunk show of the many quilts she has made. Her contemporary, graphic compositions revealed that solid colored fabrics became the canvas for bold and dynamic designs. She was very entertaining and walked us thru her design process.

Susan is telling us about her geometric abstract designing.

This backing fabric was gorgeous!

**Donna Phelps** and **Holly Cagle** helped display Susan's quilts.

Susan's website is:

She said, "Let's inspire each other today."
