Old Business

DESTASH – Donna Phelps thanked everyone for their help in making Destash 2025 a success. She reported the Guild netted \$2950 from Destash this year (\$1105 of which came from the auction items). The number of participants totaled 77 (50 members and 27 guests). All numbers were up from 2024, which netted \$2173 with 68 participants (48 members and 20 guests). This is especially important because Texas law prevents us from having raffles until 2027. The current Destash chairs have worked hard to create and improve this event since its beginning 2 years ago and are now looking for someone(s) to take over. Everyone who is interested should contact Donna for more information.

ORPHAN QUILT – Donna Phelps highlighted a group project quilt made of orphan blocks. A drawing was held amongst the members of the group. Joey Manning won the quilt.
